

AMENITIES & ACTIVITIES UPDATE – 5.14.2020

Please be advised that the POA Executive Board Meeting scheduled for May 15th, 2020 has been postponed and all amenities WILL REMAIN CLOSED at this time.

We are here to help but please understand our position with regards to keeping everyone safe residing here at River Bridge and our ongoing efforts to keep a clean and safe community for all. The Executive Board asks for your continued patience in keeping our community safe.

Please keep in mind that we do not have the funds, the cleaning products, the cleaning staff nor the staff to control and oversee these activities to insure that residents are following the very strict guidelines that have been set forth by Palm Beach County emergency ordinance #5.

The Executive Board continues to monitor our Mayors updates for Palm Beach County and the everyday changes that are occurring and once the guideline has been amended then the Executive Board will revisit this topic.
