### **How to Create a Favorites List?**

Hit the **Menu** button. Toggle down to TV then toggle over using the right arrow button to the next column.

Use the arrow down key to **Favorites** and click the ok button.

Use the down arrow key to **Create** and click the ok button.

Use the down arrow key to a channel(s) that you wish to put on your **Favorite List** and click the ok button. A heart will appear on that line.

Use the right arrow key to **Update** and click the ok button.

A prompt will appear stating that you have successfully created a Favorites list. **Click on Ok**
